CURRENT LOCAL LAGONICS.

Brief Mention of What Is Going On In and About Titusville.

E. L. Brady returned from Miami Saturday.

Send your watches for repairs to W. M. Woodward, Titusville. Work guaranteed.

Quite a number of Holiness band members arrived Sunday afternoon.

A. A. Ford, of St. Lucie, our game and fish warden, was in Titusville from Saturday until Monday.

A. M. Holshouser, of Orlando, arrived Monday afternoon and has accepted a position with THE STAR.

S. G. Vanlandingham left Monday afternoon for Cocoa in the interest of the Bond Lumber Co., returning Tuesday.

Asa Wingate now has two drays for hauling and a horse and buggy for hire. Prompt attention and reasonable prices to all.

W. E. Vanlandingham has purchased the dray business of J. T. Price, closing the trade last Saturday morning. We wish Ernest success in his new venture.

L. T. Daniel, dentist, of Cocoa, expects to return here within the next two or three days and will spend probably another week in Titusville on professional business.

Captain R. A. Hardee, of Sebastian, one of the candidates contesting for the position of county commissioner from the fourth district, was in town Monday and Tuesday.

In the raffle last Saturday night, Arthur Brown won Winston Branning's Orient bicycle and Wade Jones won the revolver. The number winning in both these raffles was 44.

Dr. E. E. Rollins, of Savannah, formerly a resident of Green Cove Spring, arrived Tuesday and will probably locate in Titusville, on account of the change being beneficial to his health.

As announced in last week's STAR, Rev. Senterfitt held services in the Baptist church, this place, Sunday morning and evening. He preached excellent sermons and was greeted by fair-sized congregations.

The north canal bridge on Ridgewood avenue, Daytona, gave way Saturday morning, as the city team, driven by Isaac Humphreys, was passing over. The wagon was smashed and one mule was drowned. The driver escaped with but a few slight injuries.

Mr. and Mrs. Sherman Singleton, of Jacksonville, who have been visiting Sherman's mother at LaGrange, for a week or so left yesterday for Palm Beach to spend the winter. During the past summer Sherman has been in the employ of the Seaboard Air Line.

Captain Dick Gladwin, who has been spending the past month or so here on a visit to his parents, returned to Miami Monday afternoon in his launch Hye-pus, in time to get it in readiness for the winter's business. D. B. Pritchard accompanied him for a few days' outing, expecting to return home the last of this week.

Capt. A. M. Pellett and brother, Bertie, of Daytona, arrived Monday afternoon from Canaveral, where Capt. Pellett had been to purchase the six-horse-power Globe gasoline engine from G. deG. Schuyler. Capt. Pellett left Tuesday morning for Daytona, carrying with him his new purchase, he having left it in the boat Mr. Schuyler used, and will use it in this manner until he can build a new hull. This sale was brought about by an ad. in THE STAR, and still some people say advertising does not pay.

Special Meeting.

The board of county commissioners met in special session this week to arrange for the printing of the official ballot for the general election and to receive the same from the hands of the printer and place same in ballot boxes for distribution to the various precincts by the sheriff. They accomplished this and adjourned yesterday afternoon. THE STAR force has been busily engaged for the past two days printing these different ballots, which extra work the reader must make allowances for, as it has taken some time from our paper this week.

Lipton's Challenge Accepted.

Sir Thomas Lipton's challenge for the America's cup was accepted by the New York Yacht club Wednesday. At a special meeting of the club held for the purpose of considering the challenge, resolutions were adopted, by the terms of which the commodore of the club is authorized to appoint a committee to formally accept the challenge of the Royal Ulster Yacht club.

LATEST NEWS AND INCIDENTS.

Matters of Interest That Are Happening Around Town.

Geo. Wray, the piano tuner, will visit the east coast in November.

Mr. and Mrs. F. S. Chaffee paid a short visit to Palatka the first of the week.

Dr. G. W. Holmes, of Sharpes, was in Titusville Saturday.

J. P. Sawtelle, of Hardeeville, made a flying trip to the county seat Saturday.

We learn that G. deG. Schuyler, of Canaveral, expects to leave soon for New York for a vacation.

Master George Scobie, who has been at Grant for awhile, came home last Friday, and returned Sunday to resume his duties.

Five new engines will soon arrive in St. Augustine for service on the Florida East Coast railway during the coming season.

Mrs. J. T. Davis and daughter, Mrs. Geo. Bayles, left Monday afternoon for a month's visit to relatives and friends in Georgia.

T. G. Ronald, who has been spending some time at Daytona and Sea Breeze, stopped over at this place from Friday until Saturday on his way home to Lotus.

Mr. Gardner has received his new fall stock of novelty dress goods. They are strictly in line with the newest winter fabrics. If you are interested you ought to see them.

Messrs. Sembler and Munshaw, our barrel manufacturers, left the first of the week, via sail boat, for Cocoa. They may extend their trip as far as Fort Pierce, ere returning.

J. J. Tucker, one of our fish dealers, left Monday afternoon for Vero, where he will engage in the fishing business for awhile. He carried with him six fishing boats and their crews. This thins out Titusville's fleet considerably.

The band stand was torn down and removed Wednesday morning on account of its condition, it hardly being safe to support the weight of the twenty members on account of the rotten lumber. August Deisner did the work and the material will be used for stove wood.

One of Crenshaw's turpentine woods riders attempted, a few days ago, to kill a negro at Liddon's livery stable, Ocala. He was arrested and taken before Justice Crawford, who, on account of the man's drunkenness, continued the case. This so incensed him that he shot at the justice and then attacked him with a knife. A deputy sheriff knocked him down and he is now in jail.

Mr. E. L. Brady presented his daughter, Miss Aline, on Tuesday with a truly magnificent upright grand piano made by Messrs. Kranich & Bach, of New York, of the famous Luzon mahogany, the first log received in this country since our acquiring these new possessions. The grain of the wood is the handsomest we have ever seen. Miss Aline, who is an accomplished musician, is thoroughly proud of the new instrument, as the tone is fully in keeping with the beautiful case. It must be seen and heard to be appreciated. Of course, our local dealer, E. B. Wager, made this sale.

The editor of THE STAR and wife arrived home Tuesday afternoon from the autumnal outing of the Florida Press association, which really terminated Monday at Richmond, but a few of the members took a two-days' additional trip down the James river to Norfolk. The outing lasted about ten days and was probably the most enjoyable one the association has ever had. In all there were about forty persons in the party, including the ladies. The party spent one day in Savannah, a day in Columbia, half a day in Raleigh and about three days in Richmond. Every prominent point of interest in these large cities (three of which are state capitals) was visited. It is not possible to give an account of the trip this week on account of the extra press of other work bearing upon the coming election that has to be attended to, but we hope to give an account of the trip in next week's paper.

Mr. Flagler Registers.

Mr. H. M. Flagler made himself a qualified voter and citizen of Dade county by registering at West Palm Beach last week. This carries out to the fullest extent what he has claimed all along: viz: that he is a citizen of Florida and calls this his home. Although Mr. Flagler has already done great things for Florida—more than any other man—it is indicated by his action above that he will continue his immense developments along the east coast. Florida is very proud of him as a citizen and a benefactor.

Rev. H. Keigwin, of Orlando, was in the city Tuesday, returning from a trip down the coast in regard to matters connected with the Presbyterian churches.

Mr. C. H. Walton, of the Advocate, who has been on a six-weeks' vacation in New York and North Carolina, returned home Monday, having had a most pleasant time.

Archdeacon B. F. Brown will hold divine services in St. Gabriel's church, Titusville, on Sunday next, with Holy Communion at 11 a. m.; also at St. Mark's church, Cocoa, at 7:30 p. m.

Mr. W. M. Brown and wife and Miss Louise and Master Mark arrived home Saturday from their summering in New York and Connecticut. We are pleased to see them with us again.

Miss Parkhill, of Wilmington, N. C., who has charge of a department in our public school, arrived Wednesday afternoon, having been delayed slightly by illness. She is stopping at Mrs. Gould's.

Master Rufus Robbins returned from his trip to North Carolina Wednesday afternoon, having accompanied his uncle this distance on Mr. Paddison and family's return from an extended tour in the northern states and Canada.

The annual meeting of the State Association of Railway Surgeons was held in St. Augustine Tuesday and Wednesday. Dr. B. R. Wilson, of this place, and Dr. W. L. Hughlett, of Cocoa, represented the Indian river section at this meet, returning home Wednesday afternoon.

Senator E. N. Dimick and wife and Master Frank, of Palm Beach, were returning home Wednesday afternoon from about five weeks spent in the north. Senator Dimick informed us that he returned a little earlier than he expected on account of the political situation in Dade.

Married In Sanford.

On Wednesday of last week at the residence of Mr. and Mrs. W. M. Dickens, in Sanford, Miss Janie Montague and Mr. W. R. Harney were married. The ceremony was performed by Rev. Charles A. Campbell. The bride is well known in Sanford and Orlando. The groom is a young business man of Miami, of the firm of Chase & Harney. Mr. and Mrs. Harney left on the steamer Frederick DeBary for Jacksonville; thence to Miami, their future home.

FOR COUNTY COMMISSIONER.

Captain R. A. Hardee, of Sebastian, is before the people as a candidate for county commissioner from the fourth district. The position is one of honor, not being a paying one, and being in favor of good roads and all such public improvements, he is willing to make some sacrifices of his time to look after the welfare of the people, if they choose to call upon him, and I trust the Democrats of Brevard will make that call by their ballots at the primary, on Nov. 6th.
